IN-N-OUT BURGER®
OPENS IN BOISE, IDAHO

IRVINE, CA – In 1948, Harry and Esther Snyder opened the first In-N-Out Burger, a 10' x 10' drive-thru hamburger stand. A year later, Harry introduced his newly developed two-way speaker box, which allowed guests to order without leaving their cars. Today, hamburgers are still made-to-order, shakes are still made with real ice cream, and In-N-Out Associates are still treated like family. Beginning October 25, 2024, In-N-Out hamburgers, fries, and shakes will be available at our newest location in Boise, Idaho.

As with all locations, fresh ingredients will be supplied to the store from In-N-Out. Hamburger patties are made from 100% American beef, with whole chucks boned and ground by In-N-Out's butchers. All patties are produced and delivered fresh throughout the week to the stores and are never frozen. Fresh whole produce is prepared daily by Associates at every restaurant, and French fries are hand-diced from fresh whole potatoes.

Shawn Martin, who has been a veteran of In-N-Out for 18 years, will manage the Boise restaurant located at 140 N. Milwaukee Street. The restaurant will employ approximately 60 In-N-Out Burger Associates with a starting wage of \$17.50 per hour. There will be one drive-thru lane, indoor seating for 74 guests, and a covered patio with outdoor seating for 32 guests. All In-N-Out Burger locations are open daily from 10:30 a.m. to 1:00 a.m. and until 1:30 a.m. on Friday and Saturday.

In-N-Out currently has locations throughout California, Nevada, Arizona, Utah, Texas, Oregon, Colorado and Idaho. In-N-Out was founded by Harry and Esther Snyder and is still owned and operated by the Snyder family. None of the units are franchised.

The corporate offices are located at 4199 Campus Drive, Suite 900, Irvine, CA, 92612.
